24 Christ-like character traits to pray for your child

# Honesty

Lord, I pray that you would help me make it clear how wrong telling a lie is. I pray that \_\_\_\_\_ would desire to tell the truth all the time, and recognize the severe consequences that can result from telling even a simple lie. I pray that \_\_\_\_\_ would be truly honest in all he/she does. I pray \_\_\_\_\_ would take no part in lying, cheating or deceitfulness. I pray he/she would see this same honesty in me as well.

# *Holiness*

Lord, I pray \_\_\_\_\_ would desire holiness in his/her life. I pray he/she would have clear discernment about what is evil and turn from it. I pray \_\_\_\_\_ would be willing to offer himself/herself as a living sacrifice, one that is pleasing and holy to you. I pray there would not be indifference towards you, but a love and passion to follow you and your ways. May he/she see holiness in my life as well.

# Love

Lord, I pray \_\_\_\_\_ would be full of love for others. I pray you would rid \_\_\_\_\_ of any hatred, envy, malice, bitterness or hostility. Rid me of those as well. I pray \_\_\_\_\_ would learn to love unconditionally and faithfully just as you have loved us.

# *Goodness*

Father, you have been so good to us. May \_\_\_\_\_ see the need to show goodness towards others. I pray \_\_\_\_\_ would seek to do good things, with the right motives. I pray \_\_\_\_\_ would not lack in compassion towards others, but be sensitive to their needs and act on those things you call him/her to do for them.

May this same goodness be evident in me as well.

# Joy

Lord, I pray \_\_\_\_\_ would be full of joy always. I pray that you would be so alive in him/her that joy would spring out even in the midst of trouble. I pray there would be no complaining about circumstances or lack of respect in speech or facial expressions. I pray your joy would spring forth from me for \_\_\_\_\_ to observe.
